Geographical Information System (GIS)

Geography Department of Government College, Ropar organized a short term course on Geographical Information System (GIS) from 02-03-2020 to 18-03-2020 during the session 2019-20. The Short Term Course was spanned over a duration of 30 Hours hours and attracted a total enrollment of 195 students. The short-term course provides a comprehensive exploration of Basic concepts, components, and applications, Spatial Data Acquisition and Management: Data sources, data types, and data management techniques, GIS Analysis Techniques: Spatial analysis methods, overlay operations, proximity analysis, and interpolation techniques, Cartography and Visualization: Principles of map design, symbolization, and visualization techniques, Applications of GIS: Case studies and practical applications in fields such as urban planning, environmental management, and emergency response

Assessment Method: The assessment of participants' understanding and proficiency in GIS concepts was conducted through a combination of quizzes, assignments, and a final project. The quizzes and assignments were designed to evaluate participants' comprehension of theoretical concepts and practical applications, while the final project provided an opportunity for participants to demonstrate their ability to apply GIS techniques to solve real-world problems.

The Certificate Course on Geographical Information System provided participants with a solid foundation in GIS concepts and applications, equipping them with valuable skills for various professional fields. Overall, the course contributed to enhancing participants' knowledge and expertise in GIS, empowering them to utilize geospatial technologies effectively in their respective domains

Summary Report of Short term course

on

Physical Fitness

Philosophy Department of Government College, Ropar organized a short term course on Physical Fitness from 02-03-2020 to 18-03-2020 during the session 2019-20. The Short Term Course was spanned over a duration of 30 Hours hours and attracted a total enrollment of 191 students. The short-term course provides a comprehensive knowledge and practical skills to enhance their physical well-being. The course encompassed various aspects of physical fitness, including exercise principles, nutrition, injury prevention, and lifestyle management.

Assessment Method: The assessment of participants' understanding and application of physical fitness concepts was conducted through a combination of practical demonstrations, written assessments, and a final examination. Practical demonstrations evaluated participants' ability to perform various exercises with proper form and technique, while written assessments tested their knowledge of exercise principles, nutrition, and injury prevention. The final examination assessed participants' overall comprehension of the course material.

Conclusion: The Certificate Course on Physical Fitness provided participants with the knowledge and skills necessary to improve their physical health and well-being. By focusing on exercise principles, nutrition, injury prevention, and lifestyle management, the course empowered participants to make informed decisions about their health and adopt sustainable fitness practices. The assessment process ensured that qualified participants demonstrated proficiency in both theoretical understanding and practical application of physical fitness concepts. Overall, the course contributed to promoting a culture of health and wellness among participants, enabling them to lead active and healthy lifestyles.

Summary Report of Short term course

on

Online Learning Platform

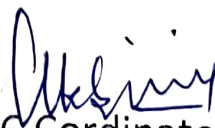

Computer Science (HEIS)Department of Government College, Ropar organized a short term course on Online Learning Platform from 02-03-2020 to 18-03-2020 during the session 2019-20. The Short Term Course was spanned over a duration of 30 Hours hours and attracted a total enrollment of 134 students. The short-term course provides a comprehensive knowledge of online learning, including platform navigation, content creation, student engagement, and assessment techniques. Exploring techniques to promote active participation and collaboration among online learners, such as discussion forums, group projects, and peer feedback. Student Engagement Strategies: Assessment and Feedback: Discussing methods for assessing student progress and providing meaningful feedback in an online learning environment, including quizzes, exams, and grading rubrics.

The assessment of participants' proficiency in online learning platform utilization was conducted through a combination of practical assignments, quizzes, and a final project. Practical assignments required participants to demonstrate their ability to navigate online learning platforms, create engaging course content, and facilitate student interaction. Quizzes assessed participants' comprehension of key concepts and features of online learning platforms, while the final project provided an opportunity for participants to apply their skills to design and implement an online course module.

Overall, the course contributed to enhancing participants' capabilities in the rapidly evolving field of online education, enabling them to adapt to the demands of digital learning environments effectively

Summary Report of Short term course

on

GST

Commerce Department of Government College, Ropar organized a short term course on GST from 02-03-2020 to 18-03-2020 during the session 2019-20. The Short Term Course was spanned over a duration of 30 Hours hours and attracted a total enrollment of 222 students. The short-term course provides a comprehensive knowledge and understanding of GST laws, regulations, compliance procedures, and implications for businesses, course covered various aspects of GST, including its concept, applicability, registration, invoicing, return filing, and compliance requirements. GST Laws and Regulations: Exploring the legal framework governing GST, including the Central Goods and Services Tax Act, State Goods and Services Tax Acts, and Integrated Goods and Services Tax Act. GST Registration and Compliance: Learning the process and requirements for GST registration, invoicing, record-keeping, and compliance obligations for registered taxpayers. GST Return Filing: Familiarizing participants with various GST return forms, deadlines for filing returns, and procedures for filing returns online through the GSTN portal..

The assessment of participants' understanding and proficiency in GST was conducted through a combination of quizzes, case studies, and a final examination. Quizzes and case studies evaluated participants' comprehension of GST concepts, application of GST laws to practical scenarios, and ability to interpret GST provisions accurately. The final examination assessed participants' overall mastery of the course material and their readiness to apply GST principles in real-world situations.

Overall, the course contributed to enhancing participants' capabilities in GST compliance, fostering tax literacy, and promoting better understanding and implementation of GST laws and regulations.

Summary Report of Short term course

on

Diet Planning

Home Science Department of Government College, Ropar organized a short term course on GST from 02-03-2020 to 18-03-2020 during the session 2019-20. The Short Term Course was spanned over a duration of 30 Hours hours and attracted a total enrollment of 165 students. The short-term course provides a comprehensive knowledge and skills necessary to create effective and personalized diet plans for individuals or groups. Also, the course covered various aspects of nutrition science, dietary guidelines, meal planning techniques, and considerations for specific dietary needs and goals.

The assessment of participants' proficiency in diet planning was conducted through a combination of written assignments, case studies, and a final project. Written assignments evaluated participants' understanding of nutrition principles, dietary guidelines, and meal planning techniques. The final project assessed participants' ability to develop a comprehensive diet plan for a hypothetical client or target population, considering various factors such as age, gender, activity level, and medical history.

The Certificate Course on Diet Planning provided participants with the necessary knowledge and skills to design and implement personalized diet plans for individuals or groups. By covering essential topics such as nutrition science, dietary guidelines, meal planning techniques, and special considerations, the course empowered participants to address diverse nutritional needs and goals effectively. Overall, the course contributed to enhancing participants' capabilities in promoting health and well-being through sound nutrition practices, enabling them to make a positive impact on individuals' lives through evidence-based diet planning strategies.
