# ORIENTATION SESSION FOR ALL STUDENTS & FACULTY OF INSTITUTION BY INNOVATION AMBASSADORS

16, April 2021

On April 16, 2021, an important event took place at Government College Ropar – an orientation session for all students and faculty members. This session was hosted by Innovation Ambassadors, who are people that bring new and creative ideas. The main speaker was Dr. Jatinder Kumar. The event was organized with the help of Professor Natasha Kalra.

The purpose of the event was to introduce everyone to innovative and fresh ways of thinking. Imagine it like opening a door to exciting possibilities! Students and teachers came together to learn about these new approaches. It was a chance to share knowledge and inspire each other. The event aimed to make everyone feel more informed and enthusiastic about exploring new ideas.

The setting was the college campus, a familiar and comfortable place for everyone. Overall, the session was a great way to encourage learning, curiosity, and collaboration among the students and faculty.

*Panel Discussion with Team From IIT Ropar*

With many examples of entrepreneurship and innovation from everyday Dr. Singh emphasized the importance of both conditions. In very simple terms he elaborated how innovation is a part of our daily lifestyle and how it is of utmost importance to make every project reasonable, sustainable and affordable. Dr. Singh mainly focused on the need to broaden the existing content-based education to skill-based education where students can be part of small-scale entrepreneurship programs and turn those projects into commercial sectors with their learning and innovation. He particularly emphasized on nurturing ideas that are conceived outside of everyday needs in efforts to simplify things around and make things environmentally friendly. Dr Singh invited research ideas from students and staff members and offered financial and intellectual support to nurture those ideas. After the session, the faculty members answered questions, which were well addressed. Finally, the principal Dr. Jaswinder Kaur of the speaker.

## Generating Funds for Startups and Pitching To VCS

An illuminating online session hosted by the Innovation Activity Committee (IIC) was conducted on the Zoom app and simultaneously streamed on YouTube. The session centered on the crucial theme of "Generating Funds for Startups and Pitching to VCs," organized by SEED from REIN labs, powered by Innovation Hub. The keynote speakers, Mr. Manoj, an HR Guru, entrepreneur, and motivational speaker, along with Mr. Prasad Menon, an incubation Guru and CEO of CIBA, shared valuable insights to guide participants in grasping the fundamental aspects of raising funds and approaching Venture Capitalists as they embarked on their startup ventures.

The session culminated in a thorough question-and-answer interaction, facilitating participants in addressing their doubts across various aspects and challenges of entrepreneurship. Mr. Saurav Sinha, a startup coach and entrepreneur, presided over this enlightening session, providing valuable perspectives on the topic.

## START UP DAY CELEBRATIONS

On 27/01/2022 at Government College Ropar. Under the able guidance of Honorable Principal Dr. Jaswinder Kaur Ji, Vice Principal Prof Jatinder Singh Gill and Institute Innovation Council (IIC) President Dr. Harjas Kaur Kanya MahaVidyalaya organized an online orientation session for the students and faculty of Government College Ropar to celebrate Start Up Day. An introductory speech was given by Rashmi Sharma, President KMV IIC to the participants highlighting the important aspects covered by IIC. This was part of the Orientation Session Mentoring Program. She briefed the students about the ongoing startup programs in their organization, Innovation Hub, Artificial Intelligence Lab, Fashion Designing Lab, Art Studio, Cooking Lab, etc. and said that these startups would be effective in strengthening the economy. Rashmi Bindra, KMV's Startup Coordinator, while lecturing on the role of startups in economic prosperity, said that startups were needed to make India self-reliant and revive the economy, especially in today's world. It was stated that KMV has drafted an innovation and start-up policy in line with INAC to promote and support entrepreneurship. An entrepreneur fund has been created under this policy.

Self-employment is being run by students like boutiques, fashion houses, immunity products, design studios etc. to enhance the quality of creative innovators. After this Dr. Neetu Chopra shed light on the topic of how the Innovation Hub was set up to revive the ideas of the students. He said that these hubs are an independent place of learning and inspiration. Some experiments like circular pendulum, transmission light, air cannon, motion, energy transfer etc. have been started to ensure creativity in the field of basic physics. In this way the infrastructure helps in inculcating scientific temperament in the students. The entire session was concluded by the concerned organization giving valuable suggestions on startups keeping in view the needs of innovative minds in the youth. . Dr. Kulveer Kaur, Vice President IIC ROPAR thanked all the participants including the spokespersons of KMV. To make this programme a success, Arvinder Kaur, IIC Convener, Ajay kumar, Cordinator Start up committee, Dr. Sukhjinder Kaur, Dr. Nirmal Singh Brar, Dr. Dalvinder Singh played an important role. All the staff Members and almost 153 students participated in this programme.

## HOW TO PLAN FOR START UPS

### College Projects and Startup Seminars

Government College Ropar on 09-04-2022 under the patronage of Principal Mrs Gurpreet Kaur and under the leadership of IIC President Dr. Harjas Kaur organized a seminar on College Projects and Startup Seminars which was managed by the Startup Activity Committee. The seminar was inaugurated by a representative of Rein Labs Miss Purti Pardhan. Speaking on the topic of prototype manufacturing and testing, Ashok Khopkar, keynote speaker of the seminar, said that it was important to have a clear understanding of product functions, design and manufacturing. He elaborated on the innovation hub and said that these startups help in strengthening the economy. Prototyping is essential for product development. Only then can the difficulties encountered in the manufacture of the product be understood. He felt the need to reduce the cost of building a prototype and suggested a small capacity and concept.

## MIC DRIVEN ACTIVITY OUT OF BOX THINKING FOR PROBLEM SOLVING

It sounds like you're describing an event or session that took place on January 28, 2022, focused on fostering out-of-the-box thinking for problem-solving among young innovative students in India. The event appears to have been well-received and beneficial to the attendees. You express gratitude to AICTE (All India Council for Technical Education) and IIC (Institution's Innovation Council) for providing this opportunity.

Sessions that encourage innovative thinking and problem-solving can be incredibly valuable for students, helping them develop skills that are crucial in various aspects of life. If you have any specific questions or if you'd like to share more details about the event or its impact, feel free to provide more information or ask any questions you have in mind.

In the evening session of Lecture Series-1, Ashish Arora, Head University Business School, GNDU. College Jalandhar while giving their views on the topic of 'Design Thinking' said that we should keep creating advanced ideas. Every student must try for a startup. Elaborating on the technique of designing those ideas, he gave many new suggestions like developing new apps, helmets for girls, making water bottles suitable for bicycles, baby bags as needed in remote areas to keep newborns warm. can etc. He described the five steps of design: go to the user, listen to the problems, try, research and implement.

IIC Vice President Dr. Kulvir Kaur presented the vote of thanks and said that such lectures are important in today's times which awaken and encourage innovation among the students. All the staff and students at the college made a valuable contribution in making it a success.

## Impact Lecture Series –II

Under the patronage of Principal Gurpreet Kaur at Government College Ropar and under the leadership of President of IIC Dr. Harjas Kaur, the Ministry of Education Innovation Cell and the Innovation Council of the Institute organized a lecture series on 5 and 6 August 2022 at Government College Ropar. It was initiated by IIC convener Prof. Arvinder Kaur welcomed everyone.

In the morning session of Lecture Series - 2, Speaking on the topic 'Innovation and Entrepreneurship', Dr. Balvir Singh, Regional Center Consultant for Entrepreneurship Development (RCED) said that together entrepreneurs and industry create entrepreneurship. He encouraged to read the biographies of the rich people of the world and to develop courage and self-confidence like them. He further said that You shall wake up automatically. Stop creating imaginary stories and break all illusions and keep your goals in front. Write down every thought that comes to mind and search that you can do this work Also consider the marketing, banking and legal systems. IIC Vice President. Dr. Kulvir Kaur presented vote of thanks to Balvir Singh and the entire team, describing this lecture as very valuable and effective, she said that our students will definitely venture after learning from this lecture.
