Annexure 2: Methodology for Calculating Overall Attendance of the Batch

The steps and formula for calculating overall attendance are as under.

1. Enrollment: Number of students who have registered and paid fees for CPBFI
2. Drop-outs: Number of students who stopped attending CPBFI during the batch
3. Regular students: Enrollment minus Drop Out
4. Total available student days: Number of regular students multiplied by total duration of CPBFI (number of days. E.g. 40 days)
5. Actual student days: Sum of days attended by each regular student.
6. Overall attendance (%) = Actual Student Days / Available Student Days X 100

Example: In a CPBFI batch 43 students registered and paid fees. By end of first week 3 students stopped attending the batch. The batch was conducted for 40 days. Out of the 40 regular students – 10 attended every class, 15 attended for 35 days, 10 attended for 33 days and 5 attended by 30 days. Overall attendance will be calculated as under.

Enrollment: 43

Drop-out: 3

Regular students: 40

Available days: 40 X 40 i.e. 1600

Actual days: (10 X 40) + (15 X 35) + (10 X 33) + (5 X 30) = 400 + 525 + 330 + 150 = 1405

Overall attendance: (1405 / 1600) X 100 = 87.81%

Dear Sir/Madam,

Greetings from Bajaj Finserv!

Please find below the Students names shortlisted for Certificates.

To be eligible for certificates students need to have minimum 75% attendance AND minimum 50% scores in online assessments.

- If a student gets more than 50% marks, she get certificate even if attendance is lower than 75% but higher than 65%.
- If a student has more than 75% attendance, she gets a certificate even if marks are lower than 50% but higher than 40%. As you are aware we issue a joint "certificate of completion" and hence adherence to both criteria is important.
- I hope this clarifies. If still any queries please call me and will revert.

START DATE - August17,2022

End Date - August17, 2024

The memorandum of understanding (mou) between sanjhi sikhiya and government ropar- to work together to create holistic learning and development opportunities for the students. Sanjhi Sikhya (NGO) for offering a thirty hour's joy of learning programme every quarter and to collaborate on areas of youth development, career counseling, internship and development faculty members as facilitators.

MEMORANDUM OF UNDERSTANDING
BETWEEN
Sanjhi Sikhiya Foundation
AND
Government college Ropar

Sanjhi Sikhiya is a non-profit organisation working towards transforming the education system and developing young people as leaders in Punjab.

Since Sanjhi Sikhiya is actively working with Young people and Govt Primary schools in Ropar District, through this MoU, we agree to work with Government College Ropar to further our mission. We can collaborate on areas of Youth Development, Career Counselling, Internships, Entrepreneurship and developing faculty members as facilitators.

Proposed areas of cooperation are, but are not limited to:

- Organising 30-hours Joy of Learning Programs every quarter
- Organising workshops on Youth Development and Social Entrepreneurship
- Organising Lectures and Talks with inspiring personalities of Punjab who can guide students.
- Offering short-term and long-term internships in the Punjab Youth Leadership Program
- Holding skill development sessions on areas like communication, resume building, confidence building etc., as per the need of the college.
- Offering training sessions for faculty members on creating engaging classrooms using adult development pedagogy.
- College may provide (based on availability) for holding important events from time to time.
- Students from NSS and other active clubs can volunteer at various events organised by Sanjhi Sikhiya.

The proposed cooperation will be manifested in sessions and workshops, which can be both one-time and recurring. Government College Ropar will provide space for the sessions and help organise by appointing progressive faculty members as nodal officers for this engagement.

This MoU takes effect from the date it is signed for five years. Early termination of this MoU can be affected in writing upon mutual discussions. There will be no legal obligations of any sort to both parties. This agreement is pure of academic nature. All other restrictions apply as per the institutions' and organisations' regulations.

Activity

Workshop on JOY OF LEARNING

Report

Joy of Learning is a leadership platform for self-driven young people. Its a safe and free space where you can openly share your thoughts and feelings, connect with like-minded people and explore new ideas.

At Joy of Learning, we use experiential ways which make learning fun-filled, engaging and self-driven. The different programs at joy will help you look deeper within and find answers to your challenges and questions.

We are planning a three-day and one-day workshop at Government College Ropar. These workshops aim to enable you to engage with yourself, others and the world in an enriching way. By the end of the workshops, you'll feel freer inside, closer to those around you, and ready to effect a positive change in the world.

Here are the broad **objectives** of the workshop -

1. **Personal Level** - You'll learn to look within, reflect on your life journey, and explore your identity. You will learn to Self Care and express yourself with clarity and confidence.
2. **Social Level** - In an intimate environment, you'll learn to work together by sharing your personal gifts. You will learn to engage with conflicts, work with difficult situations and develop social skills like communication and listening.
3. **Systems Level** - You will become aware of the structures and forces that shape the world around us. You will learn to look at the root cause of the issue and engage with the context critically and creatively.

More information about the sessions -

- The sessions will be conducted in Punjabi.
- There will be no lectures. Instead we will learn through art, body movements and through the listening and sharing of the participants.
- You are requested to buy Wax Crayons and bring them to the session.

A Live Webinar

Internship Committee under Institutes Innovation Council from Government College Ropar organized a live webinar on ‘Building an Innovation/Product Fit for Market.’ The session took place on Google meet at 10 :30 AM and was broadcasted live on College Facebook page. The keynote speaker for the webinar was Dr. Pushpendra P. Singh (Associate Dean, Research & Development), Department of Physics, IIT Ropar and who is also Project Director, DST TIH-AWADH, Founder and Director, IIT Ropar- Technology and Innovation.

Prof. Jatinder Slingh initiated the webinar and formally welcomed the audience and the speaker. The webinar commenced with a short introductory presentation by Prof. Dalvinder Singh, introducing and outlining the key aspects of Internship and innovation. He also pointed out the role and scope of committee in the current scenario. Further, he precisely mentioned the topics to be detailed upon in the talk. A brief introduction to the necessity of innovation in the agriculture sector and its relevance in the education was given which was elaborated upon by the keynote speaker Dr. Pushpendra P. Singh.

Commencing with the reference to the historicity of Government College Ropar and the institution to be an established hub of promoting intellect and excellence among its students, Dr. Singh put forth his valuable insights about the need of innovation today’s life. To begin with, the talk focused on the essence and ways to turn the content-based education into skill based education. He particularly emphasized on the nurturing of ideas that are conceived out of daily requirements to simplify things around and efforts to make things environment friendly. The only way out to inculcate the spirit and passion for innovation in academics, according to Dr. Singh was to promote the vocational education in the institutions. Repeatedly Dr. Singh highlighted the necessity on how to promote the efficiency in the labs and practical work in the institutions..Furthermore, Dr. Singh urged his audience to identify the problems around and then look for the possible low cost solutions, and for that, the development of ideas is must. In addition, Dr. Singh detailed upon the necessity of understanding and inter-dependence of interdisciplinary research and ideas that articulated his concern towards community efforts in bringing out the best ideas that can be further developed. The primary focus, according to Dr. Singh is to understand that the requirement of innovations that are environment friendly and push towards substantial consumption and production

Shedding light on various projects that Dr. Singh and his team are working on, Dr. Singh pointed out towards the idea that one need to promote the research and methodology, nutritional value, medicinal values, low residual production and organic farming in the agriculture and put thoughts in the projects that can bridge the gap between the consumer and farmer and most importantly should be environment friendly.

Dr. Singh underlined the need to channelize the youth's energy into the direction of innovation with the proper guidance so that thoughts should be triggered in the direction possessing great possibilities. For his, he offered help with infrastructure, in availability of resources and organizing the workshops and field trips for students for the better understanding. The webinar concluded with the interactive question answer session where the queries of the students were addressed. In last, Principal Dr. Jaswinder Kaur thanked the speaker and congratulated Dr. Harjas Kaur (President IIC) and the Committee Members for the successful conduct of the Webinar.

Around 250 participants participated in this webinar through Google meet and Facebook page.

Panel Discussion with team from IIT Ropar

The Institute's Innovation Council from Government College Ropar organized a panel discussion on 'Discussions and Conversations on Youth Entrepreneurship and Innovation' with a team from IIT Ropar. The discussion session started at 1130 am. Panelists for the discussion included Dr Pushendra P Singh (Associate Dean, Research and Development), Department of Physics, IIT Ropar. Dr Jaswinder Kaur, Principal Government College Ropar, Prof Satinder Singh Gill and all faculty members. And all the faculty members of Government College Ropar, council members of IIC and some eminent students became part of a very insightful discussion, which was followed by a question and answer session where the speakers addressed the doubts and concerns of the audience.

The discussion was opened by Prof. Arvinder Kaur who started with the introduction of the panelists and set the tone for the event by briefly detailing the key aspects of entrepreneurship and innovation. The keynote speaker, Dr Pushendra P Singh, continued further.

Citing numerous examples of entrepreneurship and innovation from everyday life, Dr Singh emphasized the importance of both terms. In very simple terms he elaborated how innovation is a part of our daily lifestyle and how it is of utmost importance to make every project reasonable, sustainable and affordable. Dr. Singh mainly focused on the need to broaden the current content-based education to skill-based education where students can be part of small-scale entrepreneurship programs and with their learning and innovation take those projects into the commercial sector. may be subject to change. He especially emphasized on nurturing ideas that are conceived outside of everyday needs for efforts to simplify things around and make things environmentally friendly. Dr Singh invited research ideas from students and staff members and offered financial and intellectual support to nurture those ideas. After the session, the faculty members answered questions, which were well addressed.

WORKSHOP ON "HOW TO PERFORM IN STUDIO"

A music studio is a creative space where musicians, producers, and artists come together to record and produce music. Achieving the best results in a music studio requires a combination of technical expertise, creative flair, and effective communication. This report outlines key guidelines for musicians on how to perform optimally in a music studio environment

Before entering the studio, it's crucial to be well-prepared. Communication with the Producer. Recording sessions can be lengthy and require high levels of concentration. Maintain focus during your performance to deliver consistent takes. Familiarize yourself with the studio equipment such as microphones, headphones, and monitors. For vocal performances, practice proper microphone technique. One of the advantages of recording in a studio is the ability to capture emotions and nuances. Recording can be mentally and physically demanding

About NIELIT

NIELIT is an autonomous Scientific Society under the administrative control of Ministry of Electronics & Information Technology (MeitY), Government of India. NIELIT Chandigarh was established in 1978 to provide professional services in the areas of Information, Electronics & Communication Technology (IECT). NIELIT Chandigarh is engaged in development of industry oriented quality education and training programmes in the state-of-the-art areas.

About Course

The course will bring the concept of Electronics devices, analysis and circuit designing. In this include the study of device characteristics and applications of p-n-junction diodes, rectifier, clipper, clamper bipolar junction transistors, and Op-amp.

Course Objective

The learner will learn the electronics components and electronics circuit Designing. Further, the learner will be able to learn the working of electronics circuit used in day to day life.

Brief Contents

- ❖ **Introduction to Electronics**
 - Evolution of Electronic Devices and Integrated Circuit, Applications of electronics
 - Need and application of electronics in different areas, Concept of active and passive devices
- ❖ **Semiconductor Devices**
 - Intrinsic and Extrinsic Semiconductors, conductivity of semiconductors and its temperature dependence
 - PN-Junction, Rectifier, Clipper, Clamper, Power Supply
 - Electronics Circuit Simulation
- ❖ **Case Study**
- ❖ **Transistor and its Biasing**
 - Transistor operation and Characteristics, CB, CC and CE configurations
 - Biasing circuits, Thermal Runaway
- ❖ **Operational Amplifier**
 - Operation, characteristics, inverting and non-inverting configurations
 - Integrator and differentiator, 555 timer

ONE DAY WORKSHOP ON DATA ANALYTIC AND EXCEL

The recent data analytics workshop, organized by NIELIT, proved insightful for attendees. The workshop delved into harnessing Excel for data analytics. Participants explored essential Excel functions for data cleaning, visualization, and analysis. Topics ranged from pivot tables and charts to advanced formulas for trend analysis. The interactive sessions facilitated hands-on learning, fostering a deeper understanding of data manipulation. Attendees gained practical skills applicable in various fields, acknowledging the workshop's value in enhancing analytical abilities. EXCEL's initiative in providing such an educational opportunity deserves commendation for its contribution to data literacy.

MOU-16

COLLABORATING AGENCY - DISTRICT LIBRARY OF ROPAR

START DATE - 08 AUGUST, 2022

END DATE - 08 AUGUST, 2023

This Memorandum of Understanding (MOU) is made and entered into on this date 08/08/22 , between Government College Ropar and District Library of Ropar , with the mutual objective of promoting educational and literary development in the local community . The collaboration aims to enhance access to knowledge resources and foster a culture of learning among students and the public.

Memorandum of Understanding (MOU)

Between:

Government College Ropar (hereinafter referred to as "GC Ropar")

and

District Library of Ropar (hereinafter referred to as "District Library")

Subject: Collaboration for Educational and Literary Development

This Memorandum of Understanding (MOU) is made and entered into on this date 08/08/22, between Government College Ropar and District Library of Ropar, with the mutual objective of promoting educational and literary development in the local community. The collaboration aims to enhance access to knowledge resources and foster a culture of learning among students and the public. The key areas of cooperation are as follows:

- 1. Access to Library Resources:** The District Library agrees to provide Government College Ropar students with borrowing privileges and access to its collection of books, journals, and other learning materials. This will enable students to enrich their academic pursuits and research activities.
- 2. Library Orientation Sessions:** The District Library will conduct orientation sessions for students and faculty members of GC Ropar to familiarize them with the library's resources and services. These sessions will help users maximize the benefits of the library and its facilities.
- 3. Collaboration on Workshops and Seminars:** GC Ropar and the District Library will collaborate in organizing workshops, seminars, and literary events to promote reading habits, literature appreciation, and overall intellectual growth. Such events will be open to the public and will encourage a broader engagement with knowledge and culture.
- 4. Information Sharing and Interlibrary Loan:** Both parties agree to exchange information on their respective collections, services, and events regularly. Additionally, they will collaborate on interlibrary loan services, facilitating the sharing of specific resources that may be available in one library but not the other.

5. **Digitization Initiatives:** The collaboration seeks to digitize rare and valuable literary works, historical documents, and other important materials available in the District Library's collection. GC Ropar will support these initiatives, ensuring the preservation and wider accessibility of cultural and educational heritage.

6. **Community Engagement:** GC Ropar and the District Library will jointly engage with the local community to promote the love for literature and reading. Outreach programs, book clubs, and interactive sessions will be organized to encourage a culture of continuous learning.

7. **Periodic Review:** Both parties will conduct periodic reviews to evaluate the progress and impact of the collaboration. Necessary adjustments and improvements will be made based on the feedback received from students, faculty, and library users.

8. **Duration of Collaboration:** This MOU shall be valid for a period of one year from the date of signing. Upon the conclusion of this period, both parties may mutually decide to renew the collaboration based on its effectiveness and benefits.

This understanding represents the entire agreement between Government College Ropar and the District Library of Ropar. Both parties acknowledge their commitment to promoting education, literacy, and community development through this collaboration.

Signed and agreed on this 08 day of 08 (month) 2022 (year) at Ropar (location).
