The campus provided an ideal backdrop for the camp, offering a positive atmosphere to students. Led by experienced yoga instructors and Ayurvedic Medical Officer Dr. Varinder Mohan Pahul from District Ayurvedic and Yunani Department the camp featured a comprehensive curriculum that covered various aspects of yoga, from asanas (physical postures) to meditation and mindfulness practices.

Through interactive sessions, participants learned to cultivate a balanced mind and body. The camp not only focused on the physical benefits of yoga but also delved into its philosophical aspects, encouraging students to explore the deeper dimensions of the practice. The Yoga Camp concluded with a sense of accomplishment, as participants not only gained practical skills but also imbibed the essence of yoga's philosophy. This event focuses on nurturing well-rounded individuals and equipping them with tools for lifelong well-being.
